Information

1. If there are only two judges in a debate, one of them must act as chief adjudicator. We think that the judge with the most experience in the room should act as chief adjudicator. The chief adjudicator's vote **counts double**. The chief adjudicator must write the letters 'CA' in the top right-hand corner of the marksheet. We would also like to ask one of the experienced judges to do the judges' briefing.
2. Please make sure that your arithmetic is correct!!
3. Please write down both the name of the winning team and their side (e.g. Prop, School XYZ).
4. Please give the mark sheets to the representative or coach of the hosting school.
5. Hosts, please make sure that you have all the mark sheets!!
6. Hosts, please make scans or copies of the marksheets for safety reasons and post the original marksheets to Timothy, who will do the tabbing. The scans or copies will only be needed in case the originals are lost.

Timothy's address is:

Timothy Meyer
Drususstraße 17-21
Appartment 18
53111 Bonn

Thank you for your cooperation.
We hope everyone will have great debates and lots of fun.
Best wishes,
Klaus-Peter & Alexander
